SEASoN

STRUCTURAL ENGINEERS ASSOCIATION
OF SOUTHERN NEVADA

SEASoN is a non-profit professional society established to advance the structural engineering profession. Its members are committed to maintaining the highest standards of ethical and professional conduct.

SEASoN encourages the free exchange of ideas and developments between structural engineers, architects, and other branches of engineering and industry.

GOALS

1. Promote and establish ethical standards of professional conduct and business practice among structural engineers.
2. Provide a united voice to help promote proper legislation and codes relating to structural engineering.
3. Cooperate with and assist local building departments to improve plancheck, inspection procedures, and local policies through standardization of requirements.
4. Provide comment and assistance in the establishment of local building codes.
5. Provide a forum for the discussion of current engineering topics and the free exchange of ideas among structural engineers.
6. Help to improve local construction practices and policies as they relate to structural engineering for the betterment of the public welfare.
7. Provide continuing education opportunities for structural engineers.

ACTIVITY COMMITTEES

All members are encouraged to participate by attending the regular meetings, and by becoming active in at least one committee.

(At the time of this printing, the following committees have been organized: Membership, Program, Legislative, Newsletter, Technical/Government Agencies and Web Site.)

MEETINGS

General membership meetings are held from the months of September through the month of May on the second Thursday of these months. The time and location of the meetings are announced on the website, www.seasn.org, and in the Newsletter.

SEASoN MEMBERSHIP PROCESSING PROCEDURES

1. Anyone wishing to join SEASoN and meeting the requirements for any grade of membership may apply for membership. Initiation fee for processing of applications is \$25.00 (no charge for student members). Annual membership dues are \$85.00 for all membership grades except students, \$15.00 for students. The completed application and **only** payment for the initiation fee should be sent to the address listed on the front side of this document. Make checks payable to SEASoN. Upon approval of membership you will be invoiced a prorated amount of the dues for the remainder of the fiscal year.
2. Applications will be reviewed and approved by the board of directors.
3. Upon approval, the new member will be sent an invoice for the annual dues, notification of membership and a new member's certificate.
4. Allow up to 90 days for processing.

MEMBERSHIP GRADES

Member SE: A Nevada licensed structural engineer.

Member CE: A Nevada licensed civil engineer.

Associate: A person who has been regularly engaged in the practice of structural engineering for at least four years, or who is a structural, civil, or architectural engineering graduate from an accredited four year college or university. An associate may hold no office and may have no vote.

Affiliate: A person in a position in a field cooperating with and/or working closely with structural engineers in the advancement of the practice. An affiliate may hold no office and may have no vote.

Student: A full-time senior or graduate student of civil, structural, or architectural engineering in an accredited engineering school or college. A student may hold no office and may have no vote.
